

## **Support for cub scouts:**

Hi Terry

I have found your details from the cadas page and would like to enquire as to whether you do information visits to local groups.

Last term our cubs were working towards their astronomy badge and would really like to finish off their badge by learning more about astronomy and how to view the night skies.

Could you let me know if this is something that you or any of your members get involved with please.

Thankyou

Kirsty Guyett  
Cub Scout Leader

**If anyone can help with this (probably best to be reasonably close to Chard) then please contact Terry on the e-mail address at the CADAS home page.**

---

## **Notification of Astronomy Exhibition Wiltshire Museum Devizes**

Good Afternoon

Attached is a poster for our up and coming exhibition, Earth and the Universe, of Robert Harvey's Astronomical Photography which, I thought, may be of some interest to you and your visitors. I would be most grateful if you could display this on your premises and if, in return, you have any promotional material which you may wish to display in our Museum please get in contact with me and I will do my best to get that done for you.

Robert's latest book, Photographing the Heavens: Images of Earth and the Universe, is also available in the Museum shop. You can see more of Robert's work on his website - [www.naturalworldphotography.net](http://www.naturalworldphotography.net) and follow him on Facebook at NaturalWorldPix. If you have any queries please do not hesitate to contact me.

Kind Regards

Emma Sykes
